FOR IMMEDIATE RELEASE

**ARGY RECOGNIZED AS ONE OF THE
“BEST ACCOUNTING FIRMS TO WORK FOR”**

McLean, VA — September 22, 2009 — Argy, Wiltse & Robinson, P.C. (Argy), a rapidly-growing certified public accounting and business advisory firm, is proud to announce that it was recently named as one of the 2009 *Best Accounting Firms to Work for*. The annual list of “Best Accounting Firms” was created by *Accounting Today* and Best Companies Group.

This survey and award program was designed to identify, recognize and honor the best places of employment in the accounting industry, benefiting the nation's economy, its workforce and businesses. The *Best Accounting Firms to Work for* list is made up of a total of 100 companies, split into three groups: 20 small-sized companies (15-24 employees), 65 medium-sized companies (25-249 employees) 15 large-sized companies (more than 250 employees). Argy has been named one of the *Best Accounting Firms to Work for* in the medium-sized category.

“We work hard to maintain a positive work environment, including offering great benefits and opportunities for career growth,” said Paul Argy, the firm’s President and CEO. “Internal feedback and data indicated that people really enjoy working here, but it is satisfying to also be recognized externally for it. Our success is directly attributable to the employees who make this company truly a special place to work.”

Companies from across the country entered the two-part survey process to determine the *Best Accounting Firms to Work for*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration, survey and analysis process and determined the final rankings.

The rankings will be published in the December edition of *Accounting Today*. For more information on the *Best Accounting Firms to Work for* program, visit www.BestAccountingFirmstoWorkfor.com.
