ARGY NAMED A “BEST OF THE BEST” ACCOUNTING FIRM

McLean, VA — September 28, 2009 — Argy, Wiltse & Robinson, P.C. (Argy), a rapidly-growing certified public accounting and business advisory firm, is proud to announce that it has been recognized by *Inside Public Accounting* (IPA) as one of the nation’s 2009 *Best of the Best* CPA firms in the Nation based on fiscal and management performance. With this most recent recognition, Argy has been recognized as one of the “Best of the Best” firms nationally for six consecutive years.

Each year, IPA surveys hundreds of accounting firms across the nation and selects the top 25 firms based on management, operational, and financial criteria, including revenue and income growth, staff turnover, and management of expenses, among others. Unlike many other rankings which list firms based simply on revenue or number of employees, the *Best of the Best* list is comprised of the best managed accounting firms in the United States.

Argy was also named in the October issue of IPA as one of the *2009 Top Five Best-Managed CPA Firms by Region*. This is a new distinction recently added in 2008.

“Argy is dedicated to providing excellence in all aspects of our business,” said Paul Argy, the firm’s President and CEO. “Argy’s consistent appearance on this list is a testament to the quality of the professionals we hire and retain as well as the processes we employ. We promote programs that enhance the work/life balance and reward as well as recognize employees for outstanding performances.”

Inside Public Accounting is an independent publication serving the accounting industry since 1987, reporting on and analyzing news, strategies, trends, and policies that affect the accounting profession.
